

Hellicopters, It's Good But It Just Ain't Right

I wanted the women
To go round the world
Got the boat down to helsinki city
With boys who act like
It ain't quite what I pictured
Ain't quite what I had in mind
I realized that the closer I got
That close ha
Clearly - nearly
I open my eyes but only see things barely
I can smell it but I don't get high
I know it's
Ended up with a donkey
When my mind was set on a horse
Bargained and begged for a pony and I
I've had it with just about right now
Moderate won't get me no far
Been through almos, okays, in be
Clearly - nearly
In the corner of my eye only works in theory
I can see it even shines a light
I know it's
Clearly - nearly
I open my eyes but only see things barely
I can smell it but I don't get high
I know it's
