

Hellcopters, Riot On The Rocks

Here I go now
I'm on the prowl
For plugged in - psyched out -
Fuel injected action
Gonna hit the lights now
You gotta hear me growl
Burnin' rubber - total satisfaction

I'm a live wire yeah ok
Go ahead punk make my day
Look I don't beat clocks
It's a riot on the rocks

Gotta get some kicks now
Gas I devour
Rockin' & rollin' over
I'm the main attraction

Alright - ok - right now - oh yeah!
