

# Hello Saferide, Valentine's Day

I won't tell you, baby, you drink too much  
This year, on Valentine's Day  
And I won't see you looking at that girl's butt  
This year, on Valentine's Day  
I won't remind you I'm not for granted  
Won't have to beg you to take a shower  
I won't even cry cause you don't love me enough  
This year, on Valentine's Day

Got my bags packed and I'm bringing the dog  
Going too fast on the highway  
Lost my love for me when I loved you  
Gonna reclaim it all on Valentine's Day  
O  
True love at last, on Valentine's Day

Gonna have dinner with the coolest girl  
Although she's been broken down during this stay  
Just me, myself and my biggest laughter  
Candle light dinner on Valentine's Day

And then, I'll go dancing at the finest club  
Find a kid who's ready to play  
Gonna get all the pleasure you never could give me  
This year on Valentine's Day  
O  
True love at last, on Valentine's Day

So I hope you are sorry and I wish you the worst  
And that's all I had to say  
I think we have fish sticks if you need dinner  
This year, on Valentine's Day

Got a feeling this is going to be Valentine's year  
Roses are red and violets are blue, sugar is sweet and I'm leaving you
