

# Hellogoodbye, Here In Your Arms

I like where we are,  
When we drive, in your car  
I like where we are.... Here

Cause our lips, can touch  
And our cheeks, can brush  
Our lips can touch here

Well you are the one the one that lies close to me  
Whisper's hello I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your arms

I like where you sleep,  
When you sleep, next to me.  
I like where you sleep... here

Cause our lips, can touch  
And our cheeks, can brush  
Our lips can touch here

Well you are the one the one that lies close to me  
Whisper's hello I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your arms

Our lips, can touch  
Our lips, can touch...here

You are the one the one that lies close to me  
Whisper's hello I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your

You are the one the one that lies close to me  
Whisper's hello I miss you miss you  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your arms

Here in your arms.  
Here in your arms.
