

Hellogoodbye, Winter Wonderland

Sleigh bells ring
are you listening
in the lane
snow is glistening
a beautiful sight
we're happy tonight
walking in a winters wonderland
Gone away is the bluebird
here to stay is a new bird
He's singin the songs
and moving along
walking in a winters wonderland

Chorus:
In the meadow we could build a snowman
and pretend that he is charlie brown
he'll say: are snoopy?
we'll say: no man
but we'll let ya know if he's in town

later on
we'll conspire
as we dream by the fire
and face unafraid
the plans we have made
walking in a winters wonderland

Chorus:
In the meadow we could build a snowman
and pretend that he's a circus clown
and we'll have lots of fun with mister snowman
until mean old Lucy knocks him down

When it snows
ain't it thrilling
Though your nose gets a chilling
We'll frolic and play
the Eskimo way
walking in a winters wonderland
walking in a winters wonderland
walking in a winters wonderland
