

# Halloween, Crazy Cat

My little crazy cat took a train to meet his gang downtown.  
They played Black Jack&lt; Fritz played his false game too far.  
A guy got up and started a gunfight.  
He's looking for trouble day by day, for trouble, day by day,  
Don't waste time, cute - runaway, you cute - runaway,  
He kept being taken by sunrise, my stray in town.  
Addicted to chicks, he's got a rental tree near the nudist beach.  
Oh, watch out ! Booze and ladies are his fate.  
Too much sex and food and Rock'n'Roll.  
He's looking for trouble day by day, for trouble, day by day,  
Don't waste time, cute - runaway, you cute - runaway,  
He kept being taken by sunrise, my stray in town.  
[Solo: Roland Grapow]  
He's looking for trouble day by day, for trouble, day by day,  
Don't waste time, cute - runaway, you cute - runaway,  
He kept being taken by sunrise, my stray in town.
