Helloween, I Can

May I take you higher Feed well your desire We won't be forgotten Foes left slain and rotten

I will have my way as once before Others stand in awe can't scorn at all

I can, I can make it all again I don't wanna lose, I don't wanna get drowned I can, I can, I can heed the call again Fulfill my dreams until I'm cured I can

Will I be the flyer Keep you more inspired Some will leave here shattered Wish us tarred and feathered

Show me anyone who doubts our ways I will laugh out loud and I will say

I can, I can, I can make it all again I don't wanna lose, I don't wanna go down I can, I can, I can make the call again Can attain ev'rything to leave you sure I can

Leave me waiting years or strike today Trample down the walls and pave your way

I can, I can, I can...... Fulfill my dreams until I'm cured
