

# Halloween, I Don't Wanna Cry No More

Hey, brother, I miss you so - you knocked on heaven's door,  
And we won't see you anymore - it must be crazy what we're living for.  
'Cause God's stopped keeping you on the ladder of your life,  
I call your name with tears in my eyes.

I don't wanna cry no more - past gave me happiness and gain  
Life is fleeting like a flower from a distance,  
After sorrow I pray the Lord to keep your soul.

I don't wanna cry no more - we're still missing you.

Life's like a walking on a high wire,

You slipped away, I've seen you dying in vain.

High as mountains seem all the problems that I have,

But when I hear your voice far away out of the dark -

You just go on and on in the back of my mind.

I don't wanna cry no more - past gave me happiness and gain

Life is fleeting like a flower from a distance,

After sorrow I pray the Lord to keep your soul.

I don't wanna cry no more - we're still missing you.

Skin and bone won't touch the sky,

I hope you'll find passage out of the dark.

To the other side of the sea and I know that I'll see you again.

[Acoustic and Electric Guitar Solo: Roland Grapow]

I don't wanna cry no more - past gave me happiness and gain

Life is fleeting like a flower from a distance,

After sorrow I pray the Lord to keep your soul.

I don't wanna cry no more - we're still missing you.

I don't wanna cry no more - past gave me happiness and gain

Life is fleeting like a flower from a distance,

After sorrow I pray the Lord to keep your soul.

I don't wanna cry no more - we're still missing you
