

Halloween, Light The Universe

Featuring Candice Night
In a house up the hill
Lays a boy, hes sleeping still
And the times creeping by
Till the world prepares to die
Then again out of dust
Will arise what ended last
And the boy will awake
Give his dream a little brake
And the story now goes on and on and on
As the old has died the new arises
And a child will
Light the Universe
Light the Universe
We got blind, we cant read the signs
Light the Universe
Light the Universe
We dont find whats hidden in our mind
Under sand in sea
Covered with eternity
Beats a heart with no fame
Quietly whispering my name
When my time has run out
I will hear it very loud
Telling tales I once knew
But forgot by losing you
And the story now goes on and on and on
As the old has died the new arises
And a child will
Light the Universe
Light the Universe
We got blind, we cant read the signs
Light the Universe
Light the Universe
We dont find whats hidden in our mind
Solo: Gerstner
