

# Halloween, Power

May I take you higher  
Feed well your desire  
We won't be forgotten  
Foes left slain and rotten

I will have my way as once before  
Others stand in awe can't scorn at all

I can, I can, I can make it all again  
I don't wanna lose, I don't wanna get drowned  
I can, I can, I can heed the call again  
Fulfill my dreams until I'm cured  
I can

Will I be the flyer  
Keep you more inspired  
Some will leave here shattered  
Wish us tarred and feathered

Show me anyone who doubts our ways  
I will laugh out loud and I will say

I can, I can, I can make it all again  
I don't wanna lose, I don't wanna go down  
I can, I can, I can make the call again  
Can attain ev'rything to leave you sure  
I can

Leave me waiting years or strike today  
Trample down the walls and pave your way

I can, I can, I can.....  
Fulfill my dreams until I'm cured
