

Helloween, The Invisible Man

[Music : S. Gerstner / Lyrics : S. Gerstner]

I am the one who wants to show
You a secret of your cheating world
Wherever I will go - No one can see me
'Cause I'm the invisible man

I'm a creature with one goal
Rise up to heaven when the time has come
I have no body but a soul
Gods law is written on my way, forever

Time by time I think it's over
The malediction I have got
When the world was young
I've been captured in the name of god
To save people, but who cares?
Since a thousand years
Until the holy land will come

Here I am the invisible man
A lost fallen angel helping mankind where I can
My memories are there to save your world
For you I'm just the invisible man

Solo: Both

There's the destiny you don't know
I'm a guardian angel and whatever you'll go
You fight through your life not alone
You can't hear me, nor see me
But trust the holy flow

Solo: Sascha

Here I am the invisible man
A lost fallen angel helping mankind where I can
My memories are there to save your world
For you i'm just the invisible man
