

# Halloween, The Invisible Man

[Music : S. Gerstner / Lyrics : S. Gerstner]

I am the one who wants to show  
You a secret of your cheating world  
Wherever I will go - No one can see me  
'Cause I'm the invisible man

I'm a creature with one goal  
Rise up to heaven when the time has come  
I have no body but a soul  
Gods law is written on my way, forever

Time by time I think it's over  
The malediction I have got  
When the world was young  
I've been captured in the name of god  
To save people, but who cares?  
Since a thousand years  
Until the holy land will come

Here I am the invisible man  
A lost fallen angel helping mankind where I can  
My memories are there to save your world  
For you I'm just the invisible man

Solo: Both

There's the destiny you don't know  
I'm a guardian angel and whatever you'll go  
You fight through your life not alone  
You can't hear me, nor see me  
But trust the holy flow

Solo: Sascha

Here I am the invisible man  
A lost fallen angel helping mankind where I can  
My memories are there to save your world  
For you i'm just the invisible man
