

Hellraiser, I Love U, I Kill U

when I'm looking your eyes
all that I see stars in the sky
when I'm looking your eyes all that I feel
dark of the night

I don't care what you say
I don't care game you play
no more fear of light
no more swallowing pride

I can not run away from you
I want you kiss me I love you
my only dream about you
I kill you

when you stand behind me - light
when you stand behind me - night
when you leav me I can fly
when you kiss me I can die
