## Hellraiser, Killhead

blow up blow my head get it flying loose and mad ok it's my way just to make it through the day

blackout kill my head blow it up slowly blackout kill my head kill my head over

headfirst-rushing head I dont't care if I'm dead all right piece of my mind rushing all the way outside

blackout kill my head blow it up slowly blackout kill my head kill my head over

heading out of brain shell

killhead twist my head twist it I till I drop down dead ok - that's a way just to put me sound'n'sane

killhead kill my head blow it up slowly killhead blow my head hit me all over

killhead kill my head blow it up slowly killhead blow my head hit me all over
