

Helltrain, I Am The Misfit

born on the bayou
true country hillbilly style
i come ride to see you
two bags of booze it's a couple of miles
don't keep me waitin'
i'll be dancin' all night long
ain't hesistating
twisting and turning doing a beer bong

step up do the punk rock waltz

gotta run gotta dance gotta kick and hit
i'll make you stumble 'cause i'm doin' this shit
don't get me wrong it's a song it's a rhyme
i'll keep you rockin' 'cause i am the misfit

born on hertz island
in true black metal style
never listened to venom
just some motley crue and w.a.s.p. in a while
started out doin' punk rock
now we're back in the beat
should i do it like blackie?
chainsaw supporer and throw in some raw meat
