

Hellyeah, Hellyeah

Fuck the norm, I cant understand
Live my life, by the rules of no one
I am me, that cant be wrong
I do what I do, when I do, thats how I like it
Conformity, amputate my soul
Made of stone, smashed the mold
Indifferent, so fuck you all that
Whine, bitch, nag, complain, cry
If ya dont give a shit ya getcha hellyeah
Throwin fists in the pit ya getcha hellyeah
Think youre fuckin with this well hell no.
Balls, volume, strength getcha come on
Drinking beer smoking weed ya getcha hellyeah
Gotta bruised attitude ya getcha hellyeah,
Think youre fuckin with this well hell no
Balls, volume, strength getcha come on
Fuck you all, that wont understand
Be a man, no more and no less,
Im just me, no matter what you say,
I am, who I am , what I am, thats how I like it
Typical, fucking lifeless clones
My attitude, embrace my own
I dont care, so just walk away and live your
Dull, dead, bland, boring, life
If ya dont give a shit ya getcha hellyeah
Throwin fists in the pit ya getcha hellyeah
Think youre fuckin with this well hell no.
Balls, volume, strength getcha come on
Drinking beer smoking weed ya getcha hellyeah
Gotta bruised attitude ya getcha hell yeah,
Think youre fuckin with this well hell no
Balls, volume, strength getcha come on
Dont give a fuck and dont think I ever will,
For the prim and the proper its a shallow jagged pill,
Dont really care if you like me
I just hold up my drink and get my HELLYEAH!
So point your fingers and throw your stones,
Ill be smokin and drinkin and breaking fucking bones
To all you fuckin people thinking youre better than me,
I hold up my middle finger and give my hellyeah!
If ya dont give a shit ya getcha hellyeah
Throwin fists in the pit ya getcha hellyeah
Think youre fuckin with this well hell no.
Balls, volume, strength getcha come on
Drinking beer smoking weed ya getcha hellyeah
Gotta bruised attitude ya getcha hellyeah,
Think youre fuckin with this well hell no
Balls, volume, strength getcha come on
HELLYEAH!
Got your whiskey and weed
HELLYEAH!
Balls volume and strength
HELLYEAH!
