""Harsh Reality""

Color distorts logic&lt;br&gt;  
Envolkes hatred&lt;br&gt;  
Dividing man&lt;br&gt;  
Religion a tool of war&lt;br&gt;  
Thou shall not kill&lt;br&gt;  
Except for me

Politicians&lt;br&gt;  
Behind their jovial faces&lt;br&gt;  
Making secret deals&lt;br&gt;  
In secret places&lt;br&gt;  
Money changes hands&lt;br&gt;  
Life is never spared&lt;br&gt;  
The weak are opressed&lt;br&gt;  
The leader turn away&lt;br&gt;  
The kids are being sold&lt;br&gt;  
The game is called control&lt;br&gt;  
The homeless are a problem&lt;br&gt;  
Crime is the answer&lt;br&gt;  
Pretending is not there&lt;br&gt;  
Won't make it disappear&lt;br&gt;  
Injustice runs rampant&lt;br&gt;  
In the home of the free

If you don't believe me what they do&lt;br&gt;  
Then you're wrong&lt;br&gt;  
Violence, so they can pray in silence&lt;br&gt;  
Murder to prove a point&lt;br&gt;  
We are not created equal

Hypocrisy&lt;br&gt;  
Indignation&lt;br&gt;  
Greed&lt;br&gt;  
Dominance&lt;br&gt;  
Power&lt;br&gt;  
Defiance&lt;br&gt;  
The struggle for space&lt;br&gt;  
Radiation&lt;br&gt;  
Exploitation&lt;br&gt;  
Military defense&lt;br&gt;  
Starvation&lt;br&gt;  
Life is dying&lt;br&gt;  
Because of ignorance

We live in a mass of decadence&lt;br&gt;  
Impoverished ruins&lt;br&gt;  
Caused by prejudice&lt;br&gt;  
Escape through drugs&lt;br&gt;  
Is inevitable&lt;br&gt;  
The scourge is ineffaceable&lt;br&gt;  
Extended hands&lt;br&gt;  
Only want to take&lt;br&gt;

Naivet&lt;br&gt;  
Has no place&lt;br&gt;  
What a disgrace this life we live.

&lt;small&gt;Why is the world so fucked up&lt;/small&gt;
