

Hem, Rainy Night In Georgia

Hoverin' by my suitcase
Tryin' to find a warm place to spend the night
Heavy rain a-fallin'
Seem to hear your voice callin', It's all right

Rainy night in Georgia
Rainy night in Georgia
I feel like it's rainin', rainin' all over the world

Neon signs a-flashin'
Taxi cabs and buses passin' in the night
A distant moanin' of a train
Seems to play a sad refrain through the night

Rainy night in Georgia
Rainy night in Georgia
I feel like it's rainin', rainin' all over the world

I find me a place in a box car
So I take out my guitar to pass some time
Late at night it's hard to rest
I hold your picture to my chest
I feel fine

Rainy night in Georgia
Rainy night in Georgia
And I feel like it's rainin' all over the world
Rainin' all over the world
