

# Henri Dunant, Memory

Holding on to a memory  
So that I can pretend to be  
Make it good, make it last  
It's all I need

Wake me up, stop me from the chase  
Baby I don't want to run away  
Make it good, make it last  
It's all I need

Baby please  
Don't just leave me hanging  
I'm just barely hanging on

Wake me up  
Don't just leave me hanging  
Wake me up so I can see

Holding on to a memory  
So that I can pretend to be  
Make it good, make it last  
It's all I need

Baby please  
(How you kept me waiting)  
Don't just leave me hanging  
I'm just barely hanging on  
(Waiting for you)

Wake me up  
(Cuz you make me so)  
Don't just leave me hanging  
Wake me up so I can see  
(Alive)

Baby please  
(Don't you know that I ain't playing)  
Don't just leave me hanging  
I'm just barely hanging on

Wake me up  
(Don't you know that I ain't playing)  
Don't just leave me hanging  
Wake me up so I can see
