

Henry Fiat's Open Sore, Born Drunk

I was born as a man without any fun
But alcohol made made my body run
After my first drink I was thrilled
All the borin' times got killed

Born drunk - I don't care
Born bad - Losin' it again
Born drunk - I don't care
Born bad - Losin' it again
Its bad... bad, bad, bad

I dedicate my life to alcohol
It makes me feel alright, jawohl!
But no rum and cola or pia colada
Don't got the cash, oh, I've got nada

Born drunk - I don't care
Born bad - Losin' it again
Born drunk - I don't care
Born bad - Losin' it again
Its bad... bad, bad, bad
