

Henry Rollins, Are You Ready

Are you ready to rock
Are you ready to rip it up
Do you know what I'm talking about
Are you ready to give it up
Are you ready to dance
Are you ready to hit the floor
Are you ready
Are you ready
If you're read I'm ready man
Are you ready to shake it up
Are you ready to tear it down
Are you ready to rip it up
Do you think I'm messing around
Are you ready to rock
Are you ready to hit the floor
Are you ready
Are you ready
If you're read I'm ready man
Are you ready to rip it up
Are you ready to tear it down
Are you ready to

Now you're finished messing around
Are you ready to rock
Are you ready to hit the floor
Are you ready
Are you ready
Since you're read I'm ready
