

Henry Rollins, Disconnect

Don't like to think too much, it makes me think too much,
it keeps my mind on my mind

Don't wanna see too much, it makes me see too much
sometimes I'd rather be blind

All the things that they're saying & doing
when they pass me by just fills me up with noise
it overloads me

I wanna disconnected myself
pull my brain stem out and unplug myself
I want nothing right now, I want to pull it out

Chorus:

yeah, I want to pull it out, yeah

I wanna break it all down, hey, I wanna pull it out
yeah, yeah, disconnect myself, disconnect myself

I wanna see it go down, yeah, disconnect myself

A thousand miles an hour going nowhere fast

clinging to the details of your past

talking 'bout your damages and your wasting my time

wanna be the king of pain, stand in line

all the numbers and the colours and the facts

backed by the rumours and the figures and the stats

I think I'm gonna download my mind

Chorus

Too damn bad if at the end of the day the only thoughts
in your brain are all the things that they say, what a waste

Too damn bad if at the end of the line you got no idea

what's on your own mind, you got no one to blame but yourself

Too much to know, too much to see

it might mean something to you but it's nothing to me

its just another ad for someone's version of how they think it should be

I wanna disconnect myself, pull my brains damn out, unplug myself

I want nothing right now, I want to pull it out

Chorus
