

Henry Rollins, Monster

I'm a monster
Walking these streets
Crawling these walls
Whatever it takes to get to you
It all starts and ends with you
Sometimes you hurt me but it's true
Don't want to love you but I do
I'm a monster
You touch me deep inside
Monster, monster from you I cannot hide
I'm a monster
No need to fear me
Crawl into my cave with me
Don't let this time go wasted
And I'm burning
Burning hard, burning real
Doing anything to feel
Something's gonna break before I'm done
Doing damage sounds like fun
Let's go out, let's go get some
