

# Henson Cargill, Coming On Strong

Coming on strong coming on strong  
I can feel the heartaches coming on strong  
I can feel the teardrops the pain and sorrow  
Ever since she's been gone they've been coming on strong

Pain come on in hello sorrow I see you're back again  
Teardrops glad you dropped by cause you can help me to drown my pride  
And since you're here the time just seems to fly  
To let you know you're gonna be with me till I lose my mind

She's been gone much too long and I can feel the heartaches coming on strong  
The only thing you left me was misery for company  
And the mem'ry of a love gone wrong that keep coming on strong  
Coming on strong coming on strong coming on strong coming on strong
