Henson Cargill, Less Of Me

Let me be a little kinder let me be a little blinder To the faults of those about me let me praise a little more Let me be when I am weary just a little bit more cheery Think a little more of others and a little less of me (ac.guitar)

Let me be a little braver when temptation bits me waver Let me strive a little harder to be all that I should be Let me be a little meeker with the brother that is weaker Let me think more of my neighbors and a little less of me (piano)

Let me be when I am weary just a little bit more cheery Let me serve a little better those that I am striving for Let me be a little meeker with the brother that is weaker Think a little more of others and a little less of me
