

Hepcat, Prison Of Love

It's a crime to love is so divine
You got me doin' time cuz
You're always on my mind
I'm in a prison of love
Prison of love, prison of love)

Many man say
That woman bring them down (shoop-shoo-wah)
I feel so empty girl when
You're not around (shoop-shoo-wah)
If it's a felony to love you like I do (shoop-shoo-wah)
I'll pay the penalty all to be with you
I say a little dab'll do you come
And let me drop it to ya, yeah

You heard my prayers
When I was alone (shoop-shoo-wah)
I was a puppy, girl,
Who strayed far from home (shoop-shoo-wah)
But then you found me
And took me in (shoop-shoo-wah)
Sentenced to have all your sweet warm lovin'

It's a crime to love is so divine girl
You got me doin' time cuz
You're always on my mind
I'm in a prison of love
In a prison of love, in a prison of love

If you should leave me girl
I'll never be the same (shoop-shoo-wah)
I'd have my freedom with
No joy only pain (shoop-shoo-wah)
Incarcerated in this prison of love (shoop-shoo-wah)
I'd be lost without you because
You mean so much
You and I sitting under a tree,
I singing I love you and you love we

It's a crime to love is so divine
You got me doin' time cuz
You're always on my mind
I'm in a prison of love

It's a crime to love is so divine
You got me doin' time cuz
You're always on my mind
I'm in a prison of love
In a prison of love, in a prison of love
