

# Heppner, Leben...I Feel You

\*Schiller mit Heppner - Leben...I Feel You\*

I feel you...  
In every stone  
In every leaf of every tree  
you've ever grown  
(that you ever might have grown)

I feel you...  
In everything  
In every river that might flow  
In every seed you might have sown

I feel you...  
In every vein  
In every beating of my heart  
Each breath I take  
(in every breath I'll ever take)

I feel you...  
anyway...  
In every tear that I might shed  
In every word I've never said

I feel you...
