

# Her Majesty, Cut Me

If I woke you up  
Could we have a go again  
I'll try to get things right  
This time  
Where did I go wrong  
Did you know this all along  
You know I can't go on  
Without

Please hear me out  
Forget all your doubts  
Hey!  
You're shutting me out  
Don't you know that's what this means  
Whatever you dream it's not for the better  
I can't let go  
And you know just what I mean  
And if you cut me out you might as well cut me

And there'll be no hope  
For the boy who's lost his soul  
There's not enough rope to pull ashore

Please hear me out  
Forget all them doubts  
Hey!  
You're shutting me out  
Don't you know that's what this means  
These webs that we weave  
Are not for the bitter  
Still I can't let go  
And you know just what I mean  
If you cut me out you might as well cut me

And there'll be no hope  
For the boy who's lost his soul  
Just give me enough rope...
