

# Her Personal Pain, Love Is Clean

Baby I will surely die for your love  
so come on honey, I will change your mind  
name it and I'll procure the time  
help me honey reach to your sweet mind  
Love is good, love is clean  
love is everything we need  
Baby your could fill my life with cream  
see me honey, let us touch the way  
sugar I could eat your mind away  
feed me honey in that old chocolate way  
You can't resist it, love can't be explained  
just try to escape it and I'll catch you on the way  
Baby I will surely die for your love  
come on honey let us touch the way
