

Herbert, Harmonise

Up and down

Here in my mind
There's no disguising you
I start to begin
Beside of you

I'm calling
I'm calling

You get serious
When you talk about
Things you know you know about
A loyal friend with a grip
On a world that can slip from under you

We disappear, reappear and you still make
Sense to me, that recipe
Write things down, how they sound and the ground
Can open up, and comfort us

My old friend
What a friend of mine
Tying knots on a string of time
Haul me up when the time has come
Skipping rope, when we're having fun

Up and
Up and down
Up and
Up and down
Up and
Up and down
Up and
Up and down

Sing when you talk
I'll listen
Sing when you think
I'm near
Can't be a song without you
Harmonise, sing your memory here

Up and down
Up and down
Up and down
Up and down

You get emotional
When you talk about Lucy, Jo or family
A loyal love is a gift in a world that can shift
From under you

We're not around, then around and the games
Will get more fun as we like to win
And win we do, with your love, with the crew
Adoring your move, to three from just two

My old friend
What a friend of mine
Tying knots on a string of time
Haul me up when the time has come
Skipping rope, when we're having fun

Up and
Up and down
Up and
Up and down
Up and
Up and down
Up and
Up and down

Sing when you talk
I'll listen
Sing when you think
I'm near
Can't be a song without you
Harmonise, sing your memory here

(This refrain)
Sing when you talk
(We are calling)
I'll listen
(This refrain)
Sing when you think
I'm near
(We are calling)
Can't be a song without you
(This refrain)
Harmonise, sing your memory here
(We are calling this refrain)

We are calling this refrain

Always have a day in a month to be yours now
This refrain
Always have a month in a year to be yours now
This refrain
Always have a ground for an ear to be yours now
This refrain
Always have ways to your house in my head now

You are the world
I am your people
You are the world
I am your people
You are the world
I am your people
You are the world
I am your people

(This refrain)
You are the world
(We are calling this refrain)
I am your people
(This refrain)
You are the world
(We are calling this refrain)
I am your people
(We are calling this refrain)

Sing when you talk
I'll listen

Can't be a song without you
Harmonise
