

Herman Brood, Beat

You can beat the drum
Got to be for real, your a bum
beat him up and you can beat your wife,
Beat your club child
You can bet your life

You can't beat me
Go ahead and try
You can't beat me, try
You can't beat me,
Go ahead and try
You can't beat me

Well, you can do what you might
You can do what you will
Lose your friends and your lovers
Shut up and live

You can lose in Louisiana
You can lose in Saint Paul
Lose your fortune
You can lose it all

But you can't lose me..

Solo piano

Solo gitaar

You can beat the drum etc

I'm a beatiful guy
