

Herman Brood, Too Young

Too Young
(Brood / Wild Romance)

Momma's in the nuthouse
goin' down the drain
schoolgirl
don't let them drive you insane

Too young

Daddy's losin' touch
he's goin' nuts
sweet thing
don't let 'm waste your guts

young girl - get out of my head
young girl - you're drivin' me mad
so young girl
too young girl

Poppa's on the street
Momma's on the moon
Schoolgirl
don't let 'm waste your cool

young girl - get out of my head
young girl - you're drivin' me mad

you're so young girl
too young girl

yes I'm a dirty old man
dirty old man
look out!

(guitar solo)

young girl - get out of my head
young girl - you're drivin' me mad
you're so young girl
too young girl

Dirty old man
I'm a dirty old man
Dirty old man
Dirty old man

young girl - get out of my head
young girl - you're drivin' me mad
you're so young girl (so young girl)
too young girl (too young girl)
