

Herman Brood, When I Get Home

When I get home
I'm gonna sit on my bed
When I get home
The feed back in my head
When I get home
I won't answer the phone

But right now, right now, right now I'm here on the road.

When I get home
I'm gonna touch your hair
When I get home
I'm gonna touch you there
When I get home
I'll be on top of you

But right now, right now, right now I'm here on my own.

When I get home
I knew it ain't no scene
When I get home
You knew I take of my skin
When I get home
I dance around in my doors

But right now, right now, right now I'm cruisin' alone.

When I get home
I'm gonna see my girls
When I get home
I'm gonna buy them a toy
When I get home
There gonna jump with joy

But right now, right now, right now I'm flying alone.
