

# Herman Brood, When I Get Home

When I get home  
I'm gonna sit on my bed  
When I get home  
The feed back in my head  
When I get home  
I won't answer the phone

But right now, right now, right now I'm here on the road.

When I get home  
I'm gonna touch your hair  
When I get home  
I'm gonna touch you there  
When I get home  
I'll be on top of you

But right now, right now, right now I'm here on my own.

When I get home  
I knew it ain't no sceen  
When I get home  
You knew I take of my skin  
When I get home  
I dance around in my doors

But right now, right now, right now I'm cruisin' alone.

When I get home  
I'm gonna see my girls  
When I get home  
I'm gonna buy them a toy  
When I get home  
There gonna jump with joy

But right now, right now, right now I'm flying alone.
