

Heroes of Heartache, My Last Letter

I miss you,
I miss the sound of your voice in my ears,
i miss the way you shake in my arms when you laugh,
i miss the way your smile just brightens up my day.. my world.....
i miss the way you make me feel ,
no one could ever make me feel the way you do... i feel complete....
i feel so happy and yet almost scared ... i feel excited and overwhelmed...
i feel so many things that its hard to describe... sometimes it makes me fumble over my words.....
i miss the way you are....
i miss everything you say... everything you do makes me smile and laugh....
i miss the way you look at me...
i just kinda lose myself in your eyes... their so beautiful...
i miss us....
i miss holding you in my arms...
i miss being stupid with you...
i miss listening to music with you whether i like it or not whether you like it or not....
i miss holding your hands....
i miss going on walks ...
i miss watching tv over the phone together....
I miss the feeling of your lips on mine...
i miss slow dancing with you....
i miss walking you home....
i miss holding your hand untill you fell asleep....
i miss being with you
i miss you
