Hey i Agnieszka Chylińska, Angelene (MTV Unpl

My first name Angelene Prettiest mess you've ever seen Love for money is my sin Any man calls I'll let him in Rose is my colour and white Pretty mouth, and green my eyes I see men come and go But there'll be one who will collect my soul And come to me Two thousand miles away He walks upon the coast Two thousand miles away It lays open like a road Dear God, life ain't kind People gettin born then dying But I've heard there's joy untold Lays open like a road in front of me Two thousand miles away He walks upon the coast Two thousand miles away Lays open like a road It seems so far away I see men come and go Two thousand miles until I reach that open road My first name's Angelene
