

# Hi-Fi, Call Me Misha

Once upon a time I've met you  
(Once upon a time)  
It was many years ago  
(That's a far-away)  
You said, call you simply Misha  
(Call you simply Mi-)  
I said you to tell me more  
You said you are very crazy  
I said you I'm crazy too  
Then you said you really love me  
(Call you simply Mi-)  
And I said, "I love you too"

Once upon a time I've met you  
(Once upon a time)  
And I said to you, "Hello"

How nice to see you, Misha  
You've become a businessman  
But for me you're always Misha  
(Call me simply Mi-)  
Who will ever love, love too
