

Hi-Fi, Call Me Misha

Once upon a time I've met you
(Once upon a time)
It was many years ago
(That's a far-away)
You said, call you simply Misha
(Call you simply Mi-)
I said you to tell me more
You said you are very crazy
I said you I'm crazy too
Then you said you really love me
(Call you simply Mi-)
And I said, "I love you too";

Once upon a time I've met you
(Once upon a time)
And I said to you, "Hello";

How nice to see you, Misha
You've become a businessman
But for me you're always Misha
(Call me simply Mi-)
Who will ever love, love too
