

Hi Standard, Dear My Friend

I just had to take some time
Get back to what was mine
Get away from my sweet crazy life
Hey good buddy, it's been a while
How are things for you up there?
This is all I need to know
I'm here, you're there now

Sorry but I have to say
It feels good to be alive
Go my way nobody gonna bring me down

If I get lost in the dark
Can you tell me what went wrong
If I fall down in the dirt
Can you lend a hand

The sky is blue
The sun, it shines
It's the same for everyone
You and I will meet again
So I won't say good bye

Dear my friend
Now you have your freedom
Dear my friend
Can you hear I'm calling, dear my friend

What is love, what is happiness, what am I
Past, present, and future
Life is going, life is going

If I get lost in the dark
Can you tell me what went wrong
If I fall down in the dirt
Can you lend a hand

The sky is blue
The sun, it shines
It's the same for everyone
You and I will meet again
So I won't say good bye

Dear my friend
Now you have your freedom
Dear my friend
Can you hear I'm calling, dear my friend
