Too tight, it makes me look weird

To remember (aw, man)
Come on now, big fun, alright!

To last forever (lucky us)
We'll never ever ever forget

Gettin' ready, (get ready)

Gettin', gettin' ready, ready (get ready)

Gettin' ready, (hurry up)

Gettin', gettin' ready...Go!

(Hey, you been in there an hour man)

So, what should I do with my hair?

Where's my shaver?

Ooh, I love it

I look like a waiter

Should I fluff it?

It's getting later, already should be there

Her mother opens the door, I'm shakin' inside

He's here, it's time, the hour's arrived

Don't know why, her father's staring me down

Where's my purse? Lip gloss? Now I'm really freaking out

Then something changes my world

The most beautiful girl

Right in front of my eyes

It's gonna be a night (oh yeah!)
To remember (that's for sure)
Come on now, big fun (alright!)
It's gonna be the night (yeah, tonight)
To last forever (forever more)
We'll never ever ever forget

Who's that girl? (She's so fine)
Who's that guy? (I don't recognize - oh)
Who's that girl? (She looks so good, yeah)
Yes, you'll never really notice, but you probably should

Big fun, on the night of nights (alright)
The night of nights, tonight
Let's dance
On the night of nights
You know were gonna do it right

It's gonna be a night to remember
It's gonna be the night to last forever
It's gonna be a night to remember
It's gonna be the night to last forever (last forever)

It's gonna be our night (you know it)
To remember (for all time)
Come on now, big fun (to remember)
It's gonna be the night (love it)
To last forever (the rest of our lives)
We'll never ever ever forget

It's gonna be our night (oh yeah)
All together (say it loud)
Come on now, everyone (that's right)
It's gonna be a night (yeah tonight)
To remember (hear the crowd)
And never ever ever never ever ever never ever never ever forget.
