

High School Musical Cast, Just Wanna Be With You

I got a lot of things
I have to do
All these distractions
Our future's coming soon
We're being pulled
A hundred different directions
But whatever happens
I know I've got you

You're on my mind, you're in my heart
It doesn't matter where we are
It'll be alright
Even if we're miles apart

All I wanna do,
Is be with you, be with you
There's nothing we can do
Just wanna be with you
Only you
No matter where life takes us, nothing can break us apart
(You know it's true)
I just wanna be with you

(Just be with you)

You know how life can be
It changes overnight
Sunny then raining, but it's alright
A friend like you
Always makes it easy
I know that you get me everytime

Through every up, through every down
You know I'll always be around
Through everything you can count on me

All I wanna do,
Is be with you, be with you
There's nothing we can do
Just wanna be with you
Only you
No matter where life takes us, nothing can break us apart
(You know it's true)
I just wanna be with you

I just wanna be with you...
