

High School Musical, When There Was Me and You

It's funny when you find yourself
Looking from the outside
I'm standing here but all I want
Is to be over there
Why did I let myself believe
Miracles could happen
Cause now I have to pretend
That I don't really care
I thought you were my fairytale
A dream when I'm not sleeping
A wish upon a star
That's coming true
But everybody else could tell
That I confused my feelings with the truth
When there was me and you
I swore I knew the melody
That I heard you singing
And when you smiled
You made me feel
Like I could sing along
But then you went and changed the words
Now my heart is empty
I'm only left with used-to-be's
And once upon a song
Now I know your not a fairytale
And dreams were meant for sleeping
And wishes on a star
Just don't come true
Cause now even I can tell
That I confused my feelings with the truth
Because I liked the view
When there was me and you...
I can't believe that
I could be so blind
It's like you were floating
While I was falling
And I didn't mind...
Because I liked the view
I thought you felt it too
When there was me and you
