

Higher, Midnight

Cruel intentions dating back some time. It's better just to wait, let's cut this tension with a knife. Rev

A midnight sky, your eyes as wide, it's paradise and daylight brings a smile, a smile that could chas

A midnight sky, your eyes as wide, it's paradise and daylight brings a smile, a smile that could chas

So where are we now? This piece of papers getting torn, and a shadow of the doubt is getting large
