Hikaru Utada, Don't Love You

I don't love you I just saw you Lovin' someone else Oh I don't love you Cause i know you Playin' your self

You took me out to see the stars

They shone so bright and flickered in the sky

You tell me that you're only lovin' me Oh baby I don't think you're the type

I don't love you
I just saw you
Lovin' someone else
Oh I don't love you
Cause i know you

Playin' your self

I saw you comin' and I said

Why not try playin' with your head But then you knocked me off my feet

It's too late

You saw me lovin' someone else

It's too late

And now I'm sittin' by myself I knew it when I first saw you

You're the type who plays on the mind

I see you tryin' to get to me

Oh baby I suggest you think twice

Cause

I don't love you I just saw you

Lovin' someone else

Oh I don't love you Cause i know you

Playin' your self

Baby can we be friends Without you I feel left out

I can't deal with it no more Baby

I'm so sorry So sorry

Please try to understand

I tried so hard not to fall in love with you

You keep on ignorin' me baby

Now I know you're gonna hurt me too

I don't love you anymore

Don't love you

I don't love you anymore

Don't love you

No
