

# Hikaru Utada, Fly Me To The Moon

Poets often use many words  
to say a simple thing  
But it takes thought and time and rhyme  
to make a poet sing  
With music and words  
I'll be playin'  
For you I have written a song  
To be sure that you'll know what  
I'm sayin' I'll translate as I go along  
(yeah oh yeah)  
Fly me to the moon  
and let me play among the stars  
Won't you let me see what spring is like  
On Jupiter and Mars  
In other words  
hold my hand  
In other words  
darling kiss me  
Fill my heart with song  
and let me sing forever more  
'cause you are all I long for  
All I worship and adore  
In other words  
please me true  
In other words  
I love you  
In other words  
please be true (please be true, I just want you to be true)  
In other words  
I love you (I love you, I love you)  
(to the moon)  
Just take me to the moon and far  
yeah
