

Hikaru Utada, Ticket 4 You

Ticket 4 two to the Caribbean
Go to places noon'es ever been before
Explore
Fills me with delight
Take your time
There's so much more tonight
You are the only one for me
Nobody else can see
It's all about
The things you see in me
We can sleep out in the open
Roam the Caribbean shore
Take shelter underneath the sky
Fallin' stars go by
