

Hilary Duff, Invisible Dream

I use to be a little girl,
I use to be a baby girl,
But now I have change,
To a big beautiful girl.

I like to sing like Hilary Duff
I wanna be like Hilary Duff,
But what do I get,
Is just a whole bunch of stuff.

I wish that I was Hilary Duff,

I wish that I was her best friend,
But all that I can see,
Is just what that I can see.
Is just a crashed invisible dream.

(CHORUS)

Ohh... How I wish to be her,
Ohh... How I wish I was her.
But nothing of this dream of mine would ever happen,
Because that I know that this is only a invisible dream.
