

Hilary Duff, Play With Fire (Richard Vission Remix)

I've wiped you
from my life

Do you remember all the times you said you'll call me
cus' I remember all the reasons people want me
and now I hear you saying that you still adore me
but if you think I'd ever get with you again
than you can just

Love me, love me, feed the flame
if you want me back again
burn to the sky
higher and higher
baby, can you play with fire?

(Burn to the sky)
love me, love me
(burn to the sky)
if you want me

You never know just what'd you got till' it's gone
you freak out
but i'm not falling for that game
boys like you, never change
you made me feel I wasn't enough, wasn't enough
for your love
but it was insecurity that made you run
it wasn't me

So, don't you sit there trying to give me more excuses
I don't have time for this
I'm off to play in Houston
and i'm too busy with a million things I'm doing
you can't make up for what you've done
you still try to be the one

Love me, love me, feed the flame
if you want me back again
burn to the sky
higher and higher
baby, can you play with fire?

(Burn to the sky)
love me, love me
(burn to the sky)
if you want me

Oh, by the way, by the way
I found someone
who gives me space
keeps me safe
makes me sane
found someone to take your place
I am safe
in his arms
and I decided that only he can play with fire

Love me, love me, feed the flame
if you want me back again
burn to the sky
higher and higher
baby, can you play with fire?

(It's really you)
love me, love me
(I hear you're doing really well)
if you want me
(finally every tear has dried)
love me, love me
(boys like you, boys like you)
play with fire
