

# Hilary Duff, Stranger

(Verse One)

Nobody believes me when I tell them that you're out of your mind  
Nobody believes me when I tell them that there's so much you hide  
You treat me like a queen when we go out,  
Wanna show everyone what our love's about  
All wrapped up in me whenever there is a crowd  
But when no one's around

(Chorus)

There's no kindness in your eyes  
The way you look at me, it's just not right  
I can tell what's going on this time  
There's a stranger in my life

You're not the person that I once knew  
Are you scared to let them know it's you?  
If they could only see you like I do  
Then they would see a stranger too

(Verse Two)

Did I ever do anything that was this cruel to you?  
Did I ever make you wonder who was standing in the room?  
You made yourself look perfect in everyway  
So when this goes down, I'm the one that will be blamed  
Your plan is working so you can just walk away  
Baby, your secret's safe

(Chorus)

There's no kindness in your eyes  
The way you look at me, it's just not right  
I can tell what's going on this time  
There's a stranger in my life

You're not the person that I once knew  
Are you scared to let them know it's you?  
If they could only see you like I do  
Then they would see a stranger too

(Middle-8)

Such a long way back, from this place that we arrived  
When I think of all the time I've wasted, I could cry

(Chorus)

There's no kindness in your eyes  
The way you look at me, it's just not right  
I can tell what's going on this time  
There's a stranger in my life

You're not the person that I once knew  
Are you scared to let them know it's you?  
If they could only see you like I do  
Then they would see a stranger too

There's no kindness in your eyes  
The way you look at me, it's just not right  
I can tell what's going on this time  
There's a stranger in my life

You're not the person that I once knew  
Are you scared to let them know it's you?  
If they could only see you like I do  
Then they would see a stranger too
