

# Hilary Duff, Why Not (Album Version)

You think your goin no where  
When your walking down the street  
actin like you just don't care  
When life could be so sweet  
Why you wanna be like that  
as if theres notin new  
your not foolin no one  
your not even foolin you

So walk a little slower  
And open up your eyes  
Sometimes it's so hard to see  
The good things passing by

There might never be a sign  
No flashing neon lights  
Telling you to make your move  
Or when the time is right  
(SO)

Chorus

Why not(why not)  
Take a crazy chance  
Why not(why not)  
Do a crazy dance  
If you lose a moment  
You might lose a lot  
So why not  
Why not

Why not  
Take a crazy chance  
Why not  
Take a crazy chance

You always dress in yellow  
When you wanna dress in gold  
Instead of listening to your heart  
You do just what you're told  
You keep waiting where you are  
For what you'll never know  
Let's just get into your car  
And go baby go  
(SO)

Chorus

Oh  
I could be the one for you  
Oh, yeah  
Maybe yes, maybe no  
Oooohh  
It could be the thing to do  
What I'm saying is  
You gotta let me know oo

Bridge

You'll never go to heaven  
Or even to L.A.  
If you don't believe there's a wayeee....

Why not

Take a star from the sky  
Why not  
Spread your wings and fly  
It might take a little  
And it might take a lot  
But why not  
Why not

Chorus
